## ADOPT-A-STUDENT FCA MENTOR PROGRAM **Let's Go - Build**

Dear Partner,

Support FCA Mentor Program as we follow the Great Commission to Go Build a generation of young people filled with characteristics of The Fruit of The Spirit.

FCA Character Development Mentor Program will focus each week on the critical character-building blocks of love, joy, peace, longsuffering, kindness, goodness, faithfulness, and self-control.

During this upcoming school year FCA is committed to providing mentoring to **45**, 5<sup>th</sup> grade boys and girls at South Mifflin Elementary School in Columbus Public Schools. The Impact of monthly Lunches with a mentor and FCA Staff has proven to have a great influence in giving students hope for a successful and productive life.

Your financial investment of **\$500.00** per student will support the FCA staff in this God given mandate to Go Build, young people through Godly Mentorship where they are encouraged, engaged, and empowered to live a "Fruit of The Spirit" filled life every day.

Thank you for your consideration to partner with FCA and make a positive difference in the life of a child in need of hope for a bright future.

You are always welcome to visit the school and meet the students on any Thursday at 12:30pm.

Let's Go Build,

Tim and Karmen Brown, FCA Mentor Program Directors
